I.D.: AH216V | € 625,000 | Plot: 1352 m²

SOLD

Aphrodite Homes is very proud to present to you probably one of the most spectacular pieces of land at the world famous Aphrodite Hills Golf and Leisure Resort.

This stunning plot of land is positioned in an outstanding location on the eastern plateau of the resort and it commands breath-taking views across the resort and out to sea. Being a front-line corner plot is rare in itself but you also have the guarantees that the views are there for life. The plot itself measures 1352 m² and a fabulous villa design can be made on this very unique piece of land. Being on the ravine, the views are spectacular, looking out to the famous 8th and 9th holes of the championship golf course, the beautiful hotel and the coast line of Paphos right down to the airport.

The Plot was one of the original plots that was sold so doesn't have the conditions that some plots have, i.e. you can use your own construction company to build and there are no time frames to start the construction.

The owner has also priced the plot very realistically to sell so viewing is highly recommended by Aphrodite Homes.
